**Critical Reviewer Group members**

Researchers in the School who are considering writing a new publication or starting work on a research project, are encouraged to approach members of the Critical Reviewer Group. Members of this Group are happy to assist you with your publications, grant proposals or reports.

Please find the names of people who volunteered themselves as the reviewers:

| Ms Pat Barkway | Ms Heather Sutton |
| Mr Paul Bennett | Dr Lindy King    |

Staff Development and Training Program
A program of events scheduled for the coming months is available on our [calendar](http://www.flinders.edu.au/staffdev/calendar/calendar.htm). Additionally, you will receive regular notices from our e-mail listserv (see Profdev below) with information about coming events.

Link to calendar
http://www.flinders.edu.au/staffdev/calendar/calendar.htm

1.2.1.1 Research Support & Services

New Staff Support
http://www.flinders.edu.au/staffdev/courses/newstaff.htm

Professional Development
http://www.flinders.edu.au/staffdev/courses/profess.htm

Research support and services
http://www.flinders.edu.au/staffdev/courses/research.htm

1.2.1.2 Emailing list

PROFDEV - Do you want to receive information about Staff Development and Training Unit courses, guest speakers and projects? The Staff Development listserver has been established to distribute information about our courses and projects to staff of the university. Subscribers to PROFDEV receive on average one email per week containing information about upcoming courses and activities, funding schemes and other staff development opportunities.

http://www.flinders.edu.au/staffdev/about/profdev.htm

1.2.2 Workshops

Courses and workshops
Scheduled courses to support academics in research take the form of facilitated workshops, information sessions and discussion forums. These cover the following areas:

Early Career Researchers
Research Funding
1.3 Research methodology
See also: HUB

1.3.1 Surveys
1.3.1.1 Designing
1.3.1.2 Analysis
1.3.1.2.1 Quantitative

1.3.1.2.1.1 Statistical

1.3.1.2.2 Qualitative

University’s statistical consultants
Consultancy services and training in the application of statistical computing packages for academic staff and postgraduate students of the University.

Faculty’s statistical consulting services
Dr Richard Woodman joins the Department of General Practice as the University’s new consultant biostatistician. Most recently Richard worked as a biostatistical consultant in both the School of Public Health at Curtin University (Perth) and in the Department of Psychiatry at UWA.
Richard is available for Faculty staff, FMC staff and Post Graduate Students to provide a range of statistical consulting services, and contribute to collaborative research.
Dr Richard Woodman contact details are:
Phone: 8204 5490 Fax: 8276 3305
Email: richard.woodman@flinders.edu.au
Location: Department of General Practice, Level 7, Room 7E103.1, Flinders Medical Centre

| 1.6.1 Dean’s Lecture Series |  
| 1.6.2 Research Colloquiums |  

### 1.6 Forums

**1.6.1 Dean’s Lecture Series**

These lecturers are open to staff, students and industry partners and provide an opportunity to meet and hear from local, national and international speakers. The lecturers are held monthly on Mondays at 12.15. Further information is available from: jacqui.troath@flinders.edu.au

**1.6.2 Research Colloquiums**

SONM Research Colloquiums 2007-2008

In 2007 the School has been running three of the five part Colloquium series. These are scheduled as below and are held for a half a day each, in the University's Ballroom.

- **Colloquium 1: April 3rd**  
  Health Aspects of Disaster  
  Chairperson: Professor Paul Arbon

- **Colloquium 2: June 5th**  
  Midwives Make a Difference  
  Chairperson: Associate Professor Pauline Glover

- **Colloquium 3: August 21st**  
  Promoting Women’s Health and Safety  
  Chairperson: Associate Professor Charmaine Power

- **Colloquium 4: October 4th**  
  Mental Health Research  
  Chairperson: To be appointed Professor in Mental Health  
  *Colloquium postponed until April 2008*

- **Colloquium 5: December 4th**  
  Ageing Aspects  
  Chairperson: Professor Jan Paterson  
  *Colloquium postponed until 5th of August 2008*

### 1.6.3 Postgraduate Seminar Series

School’s research web page

Held fortnightly on Tuesday 1.00-2.00 pm. For more information contact: Jeni.Jones@flinders.edu.au

### 1.6.4 Annual Research Summit

The Research Summit is the annual School of Nursing and Midwifery research event.

School’s research web page:

### 1.6.5 Research Week

Each year the School sponsors a research week for Higher Degree (HD) students who are studying on and off campus. The week is designed to provide scholarly support and critique for students in an environment conducive to considered feedback, exchange of ideas and experiences, and debate of current issues in research. The program includes work-in-progress presentations by students, workshops on methodology and other aspects of HD research and presentations by invited guests and experts in various areas of research practice. School’s research web site:

### 1.6.6 Hub Newsletter

The Health Research Hub Newsletter is edited four times a year. Every edition contains information regarding research activities and events happening in the School around the period of the time that the edition covers, grant/funding opportunities from the internal and external sources, current publications of the academics and nursing students, and many other research related information, which may influence and build the School’s research culture. School’s research web page:

Research Notice board (first floor, North Wing)

School’s staff publications

### 1.7 Conferences

#### 1.7.1 Conference presentations and posters

Information and forms for the national and international conferences. These documents are available from the Hub or from the Corporate Service share drive (V):

- Conference Funding Scheme – policy and procedure
- Overseas Conference Scheme (Rules)

#### 1.7.2 Information & Forms

**1.7.2.1 International**

- Overseas Conference scheme (Guidelines for Preparation of Reports)
- Application for support from the Overseas Conference Fund
- Overseas Conference scheme (Report on Financial Assistant)

**1.7.2.2 National**

These form is available from the Hub or from the Corporate Service share drive (V):

- Application to Attend National or International Conference / Reimbursement of Approved Costs

### 1.8 Colleagues

#### 1.8.1 Networking

Staff profile pages – School’s Research web page

1.8.2 Research Interest

School’s staff publications
School’s successful grants

The Hub’s research data base containing information re publications, grants and other research related activities could guide an early career researcher with her/his research activities. Please contact the Hub Coordinator for more details. (see Hub Roles).

1.8.3 Contact Details
