| **PROFDEV** - Do you want to receive information about Staff Development and Training Unit courses, guest speakers and projects? The Staff Development listserv has been established to distribute information about our courses and projects to staff of the university. Subscribers to PROFDEV receive on average one email per week containing information about upcoming courses and activities, funding schemes and other staff development opportunities  
\hspace{10} http://www.flinders.edu.au/staffdev/about/profdev.htm  |
| **Courses and workshops** | Scheduled courses to support academics in research take the form of facilitated workshops, information sessions and discussion forums. These cover the following areas:  
  
  Early Career Researchers  
  Research Funding  
  Research Support  
  Supervising Research Students  
\hspace{10} http://www.flinders.edu.au/staffdev/courses/research.htm  |
| **Hub Research Seminar Series 2006** | The Hub will be running five part seminar series on the third Friday every second month of 2006 for all nursing academic staff to provide step-by-step assistance in developing a ARC grant (Discovery, Linkage and Linkage APA(I)). The workshops will culminate in the development of ARC grant for submission in second round of applications in November 2006 which funds projects beginning in July 2007. The seminars will be hands-on and each seminar will cover a different aspect of grant writing. They will be conducted under the guidance of experienced grant writers and holders. Participants will be required to attend all sessions and may be required to undertake additional work between sessions.
